"Dear Rachel and the Starr Photography team, thank you for capturing our school formal with such a fun and creative nature. Everyone has commented on how amazing the photos look. After going to so much effort on our dresses and make up we are so glad we opted to have your professionalism to capture us when we were looking our absolute best! The online system was wonderful as we could see not only our own photos but also all our friends as well! Your enthusiasm and ease helped make the final preparations a dream. Thanks for everything, these special memories will be treasured forever!"
